Have a Safe and Happy Thanksgiving!!

South Dogwood Trail Repair

Barnhill Contracting will be repairing South Dogwood roadway at Duck Woods Country Club about mid-morning tomorrow (Weds). It should take about 30 minutes and the traffic may have to be rerouted down Ginguite at that time.

Beech Tree Trail Road Project

Barnhill Contracting said they hope to begin excavation work next Monday, November 28, along Beech Tree Trail. After excavation, they will be laying down the fabric and back-filling with clean material and ABC stone before installing the new asphalt. Regretfully, it is during the excavation work when utility interruptions are most likely to occur despite the best efforts to locate all of the lines. If this happens, please contact the Barnhill crew on site.
